Microfibre Cloths 230gsm OPT.FC5

Material Safety Data Sheet

1. IDENTIFICATION OF PRODUCT

Name of Product : Microfibre Cloths.

2. HAZARDOUS COMPONENTS OF MIXTURES

These components are classed as non hazardous:

Fabric:

80% Polyester.

20% Polyamide.

3. PHYSICAL DATA

Appearance: Textiles.

Colours: Blue, Pink, Green and Yellow.

4. FIRE AND EXPLOSION HAZARD DATA

Flash point: Not determined.

Flammable limits: Not determined.

Fire extinguishing media: All ext. Media allowed.

Special fire fighting procedures: Self contained breathing apparatus may be required in larger fires.

Unusual fire and explosive hazards: None identified.

5. HEALTH HAZARD DATA

Threshold limit value: Not listed.

Effects of overexposure: Not applicable under normal circumstances.

Emergency and procedures: Not applicable under normal circumstances.

Toxicity: None Identified.

Skin irritation: No irritation known or expected

6. REACTIVITY DATA

Stability: Stable.

Incompatibility: Non established.

Hazardous polymerisation: Will not occur.

Conditions to avoid: Fire (see section IV).

7. SPILL OR LEAK PROCEDURES

Steps to be taken in case material is released or spilled:
Collect into suitable packages.

Waste disposal method:

Licensed landfill or autorised incineration, depending on local legislation.

8. SPECIAL PROTECTION INFORMATION

No special protection measures are required in normal use.

9. SPECIAL PRECAUTIONS

No other precautions other than normal good industrial practice required.

10. ADDITIONAL INFORMATION

The information contained herein relates only to the specific material identified in section 1.

The present statements are based on the knoweldge we have so far and do not guarantee the properties mentioned. Existing laws and regulations are to be observed by the receiver of our prodct under own responsibility.
