

Tack Cloth OPT.TACK

Material Safety Data Sheet

1. IDENTIFICATION OF THE SUBSTANCE

Trade name : I-TACK.

Application: Tack Cloth.

Product specification identification: 7421601.

2. HAZARDS IDENTIFICATION

Classification: Not classified as hazardous

Hazard description: n/a

3. COMPOSITION/INFORMATION ON INGREDIENTS

Identification: Nonwoven Fabric.

Components: Rayon fiber $\pm 37\%$ CAS# 68442-85-3.

Polyester fibre $\pm 37\%$ CAS# 25038-59-9.

Polymer binder mixture $\pm 26\%$.

Composition is proprietary.

Dangerous components: Components are not dangerous and the product contains none or less than 0.1% SVHC (to the best of our actual knowledge and based on the latest information of our suppliers).

4. FIRST-AID MEASURES

No special recommendations; use common practice.

Eye contact: Generally the product does not irritate but if irritation occurs, flush eyes immediately for several minutes with large amounts of water.

If redness or irritation persists, contact a physician.

Skin contact: Generally the product does not irritate the skin.

5. FIRE-FIGHTING MEASURES

Suitable extinguishing media: Carbon dioxide, foam, dry chemical powder.

Unsuitable extinguishing media: None.

Fire hazards: expected to be similar to ordinary combustibles (CO_2 -CO). Vapors originating from the binder formulation can give off small quantities of other hazardous vapors.

Protective equipment: No additional requirements.

6. ACCIDENTAL RELEASE MEASURES

No special measures necessary.

Spilled material is to be collected for recycling or disposal.

7. HANDLING AND STORAGE

Handling No special precautions are necessary when used as intended.

Storage Store at a dry area. Do not store near highly flammable materials.

8. EXPOSURE CONTROLS AND PERSONAL PROTECTION GEAR

No special recommendations. General protective and hygienic measures: none required.

9. PHYSICAL AND CHEMICAL PROPERTIES

General information.

Physical state and appearance: Nonwoven fabric.

Colour: Green.

Odour: Odourless.

Change in condition: n/a.

Flash point: n/a.

Self-igniting temperature: n/a.

Solubility in / Miscibility with Water: Insoluble.

10. STABILITY AND REACTIVITY

General reactivity: Stable

Conditions to be avoided: Avoid excessive heat (above 300°C)

Materials to be avoided: n/a

11. TOXICOLOGICAL INFORMATION

Acute toxicity: n/a

Primary irritant effect: No irritation or sensibility known or expected.

Tack Cloth OPT.TACK #2

Material Safety Data Sheet

12. ECOLOGICAL INFORMATION

The fabric is not ecotoxic.

Degradability: Biodegradability is not to be expected (cellulose fibers are only biodegradable when the environment is supporting growth and sustenance of specific micro-organisms).

13. DISPOSAL CONSIDERATIONS

Waste and handling information: Licensed landfill or authorized incineration, depending on local legislation.

14. TRANSPORT INFORMATION

Material is not hazardous according to the transportation regulations: no restrictions.

Transport classification is not applicable for each of the modal regulations: ADR/RID, IMDGb and ICAO/IATA.

15. REGULATORY INFORMATION

This product is classified as not hazardous; it does not require health, safety or environmental labeling according to EC-Directives.

16. OTHER INFORMATION

MSDS issued by: V.P.M. van der Velden, Manager QSE.

Notice to the reader.

To the best of our present knowledge, the information contained herein is accurate. The purpose of this Safety Sheet is to describe the product in terms of its safety requirements in the state in which it is delivered. The data do not signify any warranty with regards to the product properties.
