# Optima Waterproof Paper Technical Data Sheet

## PRODUCT DESCRIPTION

Optima Waterproof Paper is a latex backed, silicon carbide paper designed for both wet & dry sanding applications. When used wet, the waterproof paper provide a smooth and consistent finish.

## INSTRUCTIONS FOR USE

- Always wear the relevant safety equipment including gloves and safety glasses
- For best results, soak the abrasive sheet in water and also wet surface to be sanded prior to sanding
- Use a sanding block to provide an improved flat surface or profile
- Use a spray bottle applicator with clean water for wetting the sheet and surface to be sanded

## PRODUCT HIGHLIGHTS

- Premium silicon carbide grain for a smooth and consistent finish
- Latex backing paper, for both wet & dry sanding application with reduced risk of paper curling
